Dear Dr. Eisenberg:

Thank you very much for the generous gift of \$500 from the Council for Tobacco Research in support of the FASEB Summer Research Conference on Folate, B₁₂ and One Carbon Metabolism. Your support will be acknowledged at the meeting and on the program. We will of course honor your request not to use the money to reimburse industrial participants for their expenses.

We are looking forward to a very exciting meeting, and thank you again for your support.

Most sincerely yours,

Rowena G. Matthews
